Barry Babe -
Well this is
it for me. Are
you gonna miss
me. You canget
me a parade for
graduation. Seriously
I'm glad I got
the chance to
know you this
year - you are a
super guy. So when
are you gonna
give me a ride
in your Jeep? then
fool around? If your
ever near Fennimore
& 88 look me up
& we'll party okay?
Take Care & Raise Hell
cause thats alot more
fun then being good!
Love Ya.
Messy

Barry,
Well, here's to english
class. (which is boring, but
communical). Well you are a very
strange person, but nice. Take care!
Friends,
Jackie

Barry

Barry
To a very but strange
friend. Who fun to pickin in
classes. Maybe this summer
we can have some fun together

P.S. Take it easy on cam, You
You will get any views because
your too dumb! Ha! Ha! Just
kidding.

Barry,
I would write in your crack, but as you know I'm not that type of person. Don't give ol' Blackmore a hard time next year- on second thought screw around even more next year. Take care & see-ya next year (hopefully- if I don't die this summer!)

Deb "89"

Barry,
To a super nice guy who always knows where and when to party. See ya next year, (and hopefully over the summer) take care,

Dianne

Barry,
We have really gotten to know each other this year and we've been pretty much inseparable. Especially in Emglish picking on you. Fun times and late nights at the beach, I'll miss you terribly, remember we have to get together sometime this summer. Have a great next year.

Love always,
Dani "88"

Barry,
It seems as if just yesterday I was looking at you as an average height boy who was really skinny. You are still skinny but my God have you grown! I hope that your nice height will enable you to play basketball even better than you have. You did a real good job at it this year, keep up the good work and I know that you'll really excel in the sport. I really had a lot of fun talking and getting to know you over the years through our bus rides together. You are a real nice guy who I hope has a rewarding life. Sometime I hope you could give me a ride in your new (used car). Anyhow take care of yourself and enjoy your last 2 years at Ithaca.

Love,
Eileen

Barry,

To a cool guy. It been fun have you in classes. I Hope we have more classes together next year. Well I hope you do good in your following years. Do best you can even if you think you can't I know you can. Don't get into to much trouble this summer. I hope I get to see you this summer. Don't work to hard cause I know I will.

Have a good one,

A Friend "87" rules

HISTORY

1) 1944 Born September 29, 1944 in Shullsburg, Wisconsin to Vincent and Iva Riechers Donahoe. He is the oldest of thirteen children.

2) 1950-1958 Attended Pleasant View School, near Belmont, WI. There he won the school spelling bee in 1957 and 1958.

3) 1958-1962 Attended Belmont High School and graduated in 1962. Beneath his senior picture it read "Three-fourths of him is genius; the rest ability."

4) 1962-1967 Attended Platteville State University and earned a B.S. in mathematics in 1967.

5) 1967-now Taught math at Ithaca High School, except for a leave of absence to serve in the U.S. Army (drafted during the Vietnam War.)

6) 1973 Earned a M.S. Mathematics from the U.W. LaCrosse.

7) 1978 Became the head girl basketball coach at Ithaca.

This year the Ithaca High School annual staff has voted to dedicate the 1985 annual to a man that has spent many long and demanding hours in attempting to make Ithaca, Wisconsin more than a little dot on the map. During his years at Ithaca he has given the students something to be proud of. By unselfishly pouring seemingly unlimited knowledge into the heads of the students, he has enabled the math team, the girls basketball team, and the student body to hold their heads high. This man has turned an undisciplined, but mathematically inclined group of "country hicks" into a group of state renowned mathematicians. Through time, effort, and patience he has molded a group of inexperienced, naive, and sometimes bewildered bunch of girls into a group of highly respected athletes. Obviously these accomplishments have made Ron Donahoe popular among the people inside and outside the Ithaca High School area. His interests in sports and the student/athlete at Ithaca is almost legendary. No matter the athletic event we always know we can look into the stands and find one friendly face — Mr. Donahoe. Thanks to Mr. Ron Donahoe the students can leave Ithaca holding their heads high. We are better students, better athletes, and better people because of you.

THANK YOU!

ACHIEVEMENTS

1981 Chosen as Coach of the Coulee Region Girls Basketball All-Star Game. Winner of the 1982 International KC Amateur Golf Tournament in Waterloo, Iowa.

This small school of Ithaca is led by a unique staff. It is comprised of sometimes desperate but serious workers. And although faced with a tremendous responsibility, they face it with dedication and a sense of humor. Their talents have helped us to survive the experiences of high school. There are times when the ideas of a basic student conflicts with the ideas or goals of the teachers, but rather than divide, the conflicts and ordeals have united. With the help of these individuals we, as a school, have become strong.

Barry,
I've really enjoyed having you in class, I just wish you could become more consistent. You are a very pleasant student to have in class and I hope to see you next year. Have a nice summer. Take care and best wishes always.

1996 . . . THE TEN-YEAR REUNION

The year is 1996 and the class of '86 is having its ten-year reunion. Since high school so many things have changed. No longer students, we all have found different and interesting occupations. Most of the dreams we had in high school didn't work out, but life didn't cheat us either. It will be very interesting to see what everyone is doing now . . .

Some of us became successful in show-biz and are quite famous celebrities. With the use of 7 inch lifts, *Shane Griffin* became a stand-in on the hit TV show Magnum PI (for TC). *Dan Pe0ich* became a TV Evangelist and is known as Preachin' Man Pepich. *Lisa Louis* made use of her flawless complexion and became the new "Ivory Girl." *Sue and Sara Faga* are still together and now co-host a new game show entitled "Double Your Pain, Double Your Gain," in which guest celebrities are dipped in vats of Ben Gay. *Kelly Schauf* can currently be seen on "Hee Haw" pushing his new designer overalls entitled "Kelly Are Us." A more local celebrity is *Joe Stoltz,* who is now the lead model for Farm and Fleet.

Some of the time we spent in the English Dept. at IHS has paid off. Two of our classmates are well-known authors. *Joe Kaul* is currently co-editor of Fox Fire books, incorporated. Authorist "love 'em and leave 'em" *D'Anne Henning* is currently living out her fourth romance novel and writing her fifth.

Business successes are common among our classmates. *Robb Bee* became owner and chief taste-tester of the Hileman Brewery. *Keith Durst* rose to the top of the Ag marketing business with the slogan "Driving Anything but an Alice is Dumb." *Wendy Young* became a master in Marshal Arts and started the Young Chung Fool School of Self Defense. *Jody Marish* became a famous hairstylist and his salon, "The House of Jody," is being franchised everywhere. *Jeri Parduhn* became co-owner and head cook at EJ's Bar & Grill in downtown Sextonville, Wisconsin. *Chris Biser* is now the owner of "Chris' Home For the Has Beens," where she is currently trying to rehabilitate a certain ex-Bulldog Coach. *Missy Bolen* started a chain of fast food Chinese restaurants called "Missy's Moo Goo Gai Pan." Her face now appears on Egg Rolls everywhere. *Kim Wanless* went into business and now has her own line of "Le Kim" Designer Crutches with sequined turn signals. *Dan Huebsch* also helped out accident victims by designing cushioned wheelchair seats. *Greg Olson,* a confirmed bachelor, runs his own computer dating service cleverly titled "Greg's Dates."

For some of us, working from 9 to 5 has become a way of life. *Debbie Mueller* is now the leading designer for Ocean Pacific. *James Wheeler* became the Double Dip Man at Baskin Robbins and has reportedly tried all 33 flavors. Along with being the mother of 13 children, *April Manning* also works as a crossing guard at the local grade school. *Mark Rosenow* now works as the Quality Control person for No Doze. *John Bessel,* currently known as "Buck Bessel," works part-time for the DNR catching illegal poachers. *Dominic Anderson* returned to IHS as a Jr. High teacher specializing in classroom discipline. *Eileen Durkin* repossesses cars for *Jon Spring's* Used Car Emporium in Dirty Grass, Alabama. *Shelly Wiedenfeld* took over Mr. Pampuch's job at IHS, and is known as "mom" to all of her students.

Some of us always were pretty different, and still are. *Tami Munz* is now playing center field for the semi-pro Pampuch's Pirates out of West Yuba. *Robin Mears* married Waldo Banks and is now known as Robin Banks all over town. *Dianna Parduhn* is in the Guinness Book of World Records for having the world's longest rat-tail, measuring 8 feet, 9½ inches. *Keith Herbeck* took over his family's well drilling service and while drilling one day, hit an electric cable and now works as a beacon at the Sextonville Airport. *Brenda Durst* is now serving in her fifth month at the Orson Wells Memorial Fat-Farm. *Tammy Fowell* is serving 6 to 10 in Joliet for slapping up a police officer. Officer *Brian Vlasak* is in the Walter Reed Memorial Hospital recovering from a severe slapping incident, at the hands of an irate female. Tired of her ordinary name, *Julie Smith* joined a Libyan hit squad and is now known as "Fatima of the Seven Veils." After receiving "The Calling," *Heather Neefe* joined a convent and is now in the fourth year of her ten year vow of silence. *Benjy "Wrongway" Mott* was last seen flying a load of Kumquats over the Bermuda triangle. *Anne Lins* utilized her cheerleading talents by joining up with the "Chicago Honeybear Cheerleaders."

And so, as you can see, our classmates are doing anything from flying airplanes to being a crossing-walk guard. We can only guess at what we'll be doing when we meet for our 20-year reunion. One thing is for sure, though: the class of '86 will thrive on forever. 2006 . . . HERE WE COME!!!

Sophmore Float 1st place '88"

Homecoming '85 provided us with many fond memories. As usual, each school day was filled with excitement. Monday was Slave Day, Tuesday was Safari/Hawaiian Day, and the volleyball team added to the festivities by beating Wauzeka. Wednesday was Clash and Crazy Day, Thursday was Purple and White Day, and Friday was Bag Lady and Bum Day. Throughout the week, students were hard at work preparing their skits and floats. Everyone gathered at the pep-rally Thurs. afternoon. King Greg Olson revealed Queen Lisa Louis by giving her a kiss on the cheek. The Seniors once again won the spirit-stick in the yelling competition. Thursday night started with the 2nd annual powder-puff football game. The classes of 86 and 89 annihilated the classes of 87 and 88. The Juniors took first in the skit competition; the Seniors placed a close second, and the Freshmen placed third. The Tug-of-War was totally dominated by the Seniors. The Juniors placed second, and the Sophomores placed third, while the faculty placed near-last suffering from a lack of strength. Then everyone gathered around the bon-fire as a Kickapoo Panther was burned in effigy. Everyone danced and cheered until the flames faded away. Friday night the Bulldog football team sweetened the festivities by destroying the Kickapoo Panthers 28-14. Saturday brought the excitement of the annual Ithaca School Fair. In the float competition, the Sophomores placed first, the Seniors placed second, and the Juniors placed third. The final event of Homecoming '85 was the dance on Saturday night. As a result of much hard work and effort, the dance was one of the most creatively attractive in Ithaca history. Mr. Modjeski stated that the Homecoming Fair Week was probably the best-organized, smoothest one since he's been here. We couldn't have done it without the hard work of the students, and the help and the cooperating teachers. Thanks.

The Student Council has played an important role in the improvements and advancements of our school. Some of these improvements are as follows: they act as a liaison for the students with the administration, suggested curriculum and school changes to administration financial support to school organizations, set up concessions schedules, sponsor dances, sponsor all school movies. Many of these improvements go unnoticed by the student body. The money made from ice cream sales has been purchasing equipment such as the popcorn popper and supplies, shades, box fans, and posters for the classrooms, also the unforgettable kleenex. The school is a better place because of the student council, thanks for a great job!

In one of the stars I shall be living
In one of them I shall be laughing.
And so it will be as if all the stars were laughing,
When you look at the sky at night . . .
You — only you — will have stars that can laugh.
And when your sorrow is comforted (time soothes all sorrows.)
You will be content that you have known me.
You will always be my friend.
You will want to laugh with me.
And you will sometimes open your window so far that pleasure . . .

We are the CHAMPIONS!

MATH TEAM'S SUCCESS CONTINUES!

In the spring of 1985, the Math Team traveled to Hillsboro for the Conference Math Contest in hopes of capturing the eighth victory in the last nine years. The team won and placed four people on the First Team. They include: Steve King, James Wheeler, Mark Leatherberry, and Dave Chitwood.

On November 7, 1985, the Math Team traveled to the UW-Platteville for the annual Platteville Math contest and came home with the first place trophy. The top scorers in each of the two divisions were two girls, Anne Lins and Julie Schmitz. In Division ITim Kaul and Brent Harper led an outstanding effort in the team event to achieve a perfect score of 200. Ithaca had four people honored on the All-Academic Team: Anne Lins, Julie Schmitz, Tim Kaul, and Brent Harper.

On December 6, the Math Team went to the Richland Campus for another Math Contest. Competing against Class A, B, and C schools, the team snatched up another victory. The members did an outstanding job and four of the students received plaques for their efforts. They were Heather Neefe, AnneLins, Dave Chitwood, and Mark Leatherberry. These four along with three other Ithaca members — Joe Kaul, Kelly Schauf, and Jim Wheeler — placed in the top twenty scores after two rounds of competition, and advanced to the final round. After the team trophy was awarded, the individual awards were given. Mark Leatherberry placed second overall and Anne Lins placed third. Ithaca has won three of the four Richland Contests held. Good luck in the future Math Team, may your success continue!

TELL US ABOUT IT

Marie Pepich works diligently on her forensics speech in hopes of advancing at the upcoming forensic meet.

Forensic Record Speaks for Itself!

On March 2, 1985, at Boscobel High School, Ithaca won its eighth Sub-District Forensics meet in the last nine years. We scored twenty-two category advancements out of twenty-five entries plus advancing three people from our Group Discussion entry. This was an outstanding achievement and truly depicts the attitudes and involvement of our students as over 25% of our student population advanced to the District Forensic meet.

On March 23, at the University of Platteville, the team competed in the District Forensic meet. For the first time, the meet was run in a Round-Robin style; therefore, each participant was required to perform three times for three different judges. The team still did very well and advanced twenty-two members of the team to the State meet. Those members of the team who participated in the State meet include: Tammy Fuller, Anne Lins, Lisa Louis, Anita Brown, Colin Nugent, Brent Harper, Eileen Durkin, Jenny Anderson, Troy Harper, Kim Wanless, Pat Durkin, Cheryl Acketz, Heather Neefe, Jim Wheeler, June Brown, Joyce Mueller, Cori Newkirk, Kelly Schauf, Cathy Stoltz, Jason Bradley, Mollie Biser, and Kurt Lasse.

On April 19, the team traveled to Madison to compete in the State Forensic meet. We had nine people receive the "All-State" award and thirteen others were named "State-Finalists."

The remarkable achievements of our Forensics team have contributed to the pride of our school, our students, and our community. Although the forensic members receive most of the attention, they are by no means entirely responsible. In our school we have three dedicated forensic coaches who encourage and guide the team members so that the individuals may reach their potential as public speakers. Thank you Mrs. Harris, Mrs. Murphey, and Mr. Pilla for all of your effort!

On November 1 and 2, 1985, the Ithaca Drama Department presented three one act comedies: *A Sunny Morning, Two Fools Who Gained A Measure of Wisdom,* and *The Ugly Duckling.* After a tremendous show of interest at the organizational meeting, many students participated in the preparation activities such as building the set and getting costumes and props. Mrs. Murphey can be very proud of the outstanding results of everyone's hard work. Good Luck to future productions, as you have a tough act to follow!

Sports

Never Surrender

Our Bulldog gridders accomplished many of their goals this season including that of a conference championship, a prize won by hard work, dedication, and enthusiasm. Congratulations guys!!

The leadership and character that was shown by the senior class of 1986 was especially expressed through the football team as we had six dedicated seniors out. On August 30, our unsure Bulldog machine traveled to Benton to play the first game of the season. Despite a strong effort, our guys came up short of a victory. To add to the difficulties, starting tackle Mark Foege was injured in a farm accident and missed all of the remaining games. The Dodgeland gridders, our second opponent, traveled many miles looking for a victory only to go home empty-handed. Our guys finally realized the amount of talent they had an defeated their next three opponents Seneca, North Crawford, and Kickapoo. On October 4 the Bulldogs faced the toughest opponent in the conference, Weston. The teams fought a long hard battle in the rain and mud. Unfortunately, the Bulldog's quarterback, Shane Clary, was hit in the third quarter and was unable to finish the game. Weston prevailed over our gridders 20-10 to take the conference lead. The purple power still maintained hope of becoming conference co-champs. They easily defeated their next three opponents Wauzeka, LaFarge and Brookwood to bring their season to a close. On October 25, the Ithaca Bulldog football team joined together once again to become spectators at North Crawford. The North Crawford Trojans defeated Weston 26-12 allowing Ithaca to share in the conference title — a prize won by hard work, dedication, and enthusiasm.

The special team awards for the season were as follows: MVP — Terry Dobbs for the fine control he showed as quarterback while Shane Clary was sidelined. MIP — Colin Nugent for his fine tackling on defense and his well done job of protecting the quarterback. The 1985 co-captains were Shane Griffin and Greg Olson chosen for their display of strong leadership and understanding of the concepts. Congratulations to all!!!

The 1985 boys' basketball squad saw 6 returning lettermen to a still young and maturing team. The team was led by two seniors; Benjy Mott, who was an all-conference selection last season, and Dan Huebsch. We were fortunate to have a fine group of juniors, many of whom have seen considerable varsity action last season. This group includes: Paul Newkirk, Shane Clary, Colin Nugent, Mark Wiedenfeld, Gary Henning, Dana McCormick, and Dave Bangert. Filling out the team were sophomores Trent Gander and Brent Harper and freshman Tony Schulze.

The season brought us some exciting basketball. Even though we had 6 back from last year were still young and really a year away from our full potential. This year the key was being competitive and hopefully closing with a 500 season record.

AIN'T NOTHING GONNA

The 1985 girls' basketball team pressed on toward state, led by all-conference players Chris Biser, Jenny Anderson, and Shawn Clary, and senior June Brown. Their determination and talent were rivaled only by the would-be state champions Fall Creek Crickets. During the 1986 season the Ithaca girls once again displayed their unusual talent and camaraderie. With a history of five consecutive conference championships and three regional championships in the last five years, the basketball Bulldogs held their heads high as they defeated one opponent after another. During 1986 the women cagers set the state record for the most consecutive regular season wins, trouncing the former record set at . They continued to compile one win on top of another, raising their mark of excellence to unbelievable heights. After defeating class A regional champions Reedsburg, the march toward state rolled on as the Bulldog tide seemed unstoppable.

For the young Bulldog Sluggers, this past year was a rebuilding one. The body of the team was made up of mostly underclassmen who had a lot of potential. The young Bulldogs finished "about even" was Coach Pampuch's comment, in the regular season. At the Bulldog Invitational the team finished second, beating Weston but losing to Riverdale. In the 84-85 season, most improved was Paul Newkirk; most valuable and best offensive player was Todd Cockroft; and batting champion was Terry Dobbs.

A group of very hard working young men, the 1985 boys' track team found it hard to fill every event because of its depleted numbers. The hardworking Jeff Gocht set the pace and the example for the rest of the underclassmen. Jeff qualified for Sectionals in the triple jump and was voted as Most Valuable and Team Captain/Most Dedicated. Trent Gander, a freshman, earned the most points over the track season and was voted as Most Improved. The team worked hard all season and each man put forth the best effort he could, making it a successful season.

The Ithaca girl's track team won their third consecutive conference championship, last season. Along with conference, the Bulldog girls won the Boscobel regional championship and missed the Boscobel sectional championship by one slim point. However, nine individuals journeyed to the state track meet at Madison. Lisa Louis ran to a fourth place finish in the 300 m. low hurdles. Sue Faga sprinted across the finish line fourth in the 200 m. dash. Sara Faga jumped ½ inch shy from competing in the finals of the triple jump. The 1600 m. relay team which consisted of Lisa Louis, Sara Faga, Sue Faga, and Eileen Durkin with alternates June Brown and Jenny Faga placed third. The 800 m. relay team that included Lisa Louis, Sue Faga, Sara Faga, and Cori Newkirk with Marie Pepich and Brenda Durst as alternates ran to third place finish. Although not every member on the track team made it to the state competition. Everyone involved was an important contributor to the team's success. This includes cheering teammates on and pushing each other in intervals. No matter what each member of the team placed at the track meets, they all added to the team's success. To everybody in this school, you are all WINNERS!!!

Shout!

This year's football cheerleading squad consisted of Senior and Captain Anne Lins, Senior Eileen Durkin, Junior Lauri Hess, and Sophomores Cheryl Achetz, Dee Bangert, and Barb Nugent. All of these girls have a lot of talent that they put to good use. They had many uplifting pep rallies and many new and exciting cheers. Although they spent many hours practicing, they also managed to bake cookies for players and hold a pancake supper for the football team. This year's squad performed very well and we hope to have squads like this in the future. The J.V. cheerleaders were Sue Volz and Kim Brewer. The J.H. cheerleaders were R. Louis, S. Berry, Kari Block, T. Hanzel, D. Saey, J. McCormic, S. Threlkeld, T. Harms, and K. Olson.

Hi how's it going? Good I hope. I am
glad we have gotten to know you during science
this year. Listening to Deb and you flirting and
competing for grades was very comical. I think
she likes you a lot! ha! ha! I can easily see why
you are a fun person to be around and that is
very important. Good luck in the future keep up the
good work. See ya next year.

Barry,
To a super sweet guy. I'm glad I've gotten to know you better this year. To bad we didn't have any classes together. It is hard to believe that in just a few short weeks I will be graduating. Good luck in your remaining years at THS. Make the most of them - they go by very quickly! Take care. Have a great summer. Stay the super guy you are!

Barry, (Bare)
To a really nice guy! It's too bad we didn't have more classes together, but I still got to know you a little better at basketball games + stuff this year. You have quite the sense of humor + always seem to say hi + brighten my day a little. Have a lot of fun in your remaining years. They go fast. Look at me, I only have 10 days left.
Have a great summer + take care. Good Luck in your future years!
